The Health Officer of this Municipality reported, that the establishment was quite inadequate, that, 22 more Daffedars were necessary to exercise effective supervision over the work of the Sweepers and scavengers and that, at least 10 more Daffedars might be entertained in the first instance at an annual extra cost of Rs 1,560/- (at Rs 13/- per month) The proposal of the Health Officer has been approved by the Council on 23-10-1944 The expenditure on this account during the current year will be met out of Rs 1,500/- provided for the purpose under I (2) Conservancy and Sanitation Necessary provision in this behalf will be made in the annual budgets in future

SUBJECT

Brief Notes on the appointment of ten additional Daffedars, submitted on 24th Aug , by the Health Officer, Bangalore City, to the Municipal Commissioner, Bangalore City

---

In my note on the reorganisation of Health Section the necessity for entertaining more sweepers and daffedars was pointed out 31 Daffedars have been sanctioned for the whole of Bangalore City and the area assigned to each daffedar is so extensive that it is not possible for him to supervise the work of the sweepers and scavengers of the wide area in his jurisdiction In Mysore City Municipality, which is by far smaller in extent, 54 daffedars have been sanctioned as against 31 in Bangalore City If the supervision over the sweepers should be more effective, then the supervisory staff has to be increased I had recommended the appointment of 22 daffedars but considering the financial position, at least 10 may be sanctioned in the first instance at a cost of Rs 1,560/- per annum

Particulars	Per month	Per year
Pay of 10 Daffedars at Rs 13/- each	Rs 130/-	Rs 1,560/-
	total per annum	Rs 1,560/-
